

**How do you
understand
instructions
at work?**

**Do you know how
to clock in and
clock out?**

**How do you ask if
you don't
understand an
instruction?**

**What do you do if
you forget an
instruction?**

**How do you ask
for help with
a task?**

**What do you say
if you finish
a task early?**

**Do you use
instructions in
written or
spoken form?**

**How do you
organize your
tasks after
instructions?**

**Do you write
down important
instructions?**

**What happens if
you don't follow
instructions?**
